

BAPTISM

*Bathed in light
Fresh eyes seek the dappled sun
peeking through stained glass.
Loving hands caress me.
Tender hands touch the water,
creating eternal ripples moving gently
outward.
The water - cool, soft and clear;
Blessing me, drawing me into the
flow of life.
At the font, a new beginning immerses
me in God's love.
The Spirit moves, lights the
Inner Fire that purifies the way ahead.
Channels of Grace carry me in the
stream.
The essence of life ...*
