

PRAYER FOR BELGIUM

Message from St. Joseph and St. Anthony's Parish, Bracken Ridge,
Brisbane.

We pray for the people of Belgium,
And for the people who died in the bombing attacks,
We pray for the survivors,
And friends and family.

May God comfort them,
May God grant them safety and security,
May God reach out to their pain, their shock and their fears,
And hold them in love this Easter.

May they know their international sisters and brothers care for
them.

Amen.
