

## PRAYER FOR THE VICTIMS OF THE GENOA TRAGEDY

Today we pray to you O God, for the victims and survivors  
Of the 'Morandi' highway bridge collapse in Genoa.

We pray for the local people and people in transit who died.

We pray for the rescuers and support staff.

We pray for those evacuated and for survivors.

We pray for the city of Genoa and its resilience  
In responding to present needs and future planning.

We pray for the city and national inspectors  
As they examine the safety viability of nearby sections of the bridge.

We pray to you O God, in solidarity with our sisters and brothers.

Amen.
