

INVITATION TO PRAYER

LET US PRAY THIS DAY

WE PRAY TO YOU JESUS

We pray to you Jesus

- + For Chilean survivors Juan Carlos Cruz, James Hamilton, Jose Andrés Murillo
- + For Pope Francis
- + And for their current personal encounters in the Vatican

We pray to you Jesus

- + For other survivors of church sexual abuse awaiting just and pastoral hearings
- + For families and friends of survivors

We pray to you Jesus

- + For the survivors who gave evidence in the papal enquiry
- + For the Church in Chile that it may truly follow the example of Jesus.

We pray to you Jesus

- + For ourselves awaiting a Church that places survivors and their families first
- + In every country, in every diocese and in every parish

We pray to you Jesus

- + For each of us, that we follow your example in being
- + Spiritually and pastorally responsive
- + Truthful and compassionate, just and humble

We pray to you Jesus

- + For the actions now implemented and for the many actions still required
- + And for the deep changes we need to make in the culture of the church community

We pray to you Jesus

- + In solidarity for all survivors and their families and friends

Amen.
