

INVITATION TO PRAYER

REMEMBERING THE SUFFERING IN SURABAYA

Remembering the suffering in Surabaya.
We join with Pope Francis
And the Christian churches of Indonesia,
In remembering those who died
And those injured in the church bombings in Surabaya, Indonesia.

O God, we pray for their families and friends
And the three Christian communities that were attacked.

O God, we pray in solidarity
With all Indonesian Christian communities in Australia
And with our local Indonesian Catholic Family.

O God, we pray for an end to violence.
We pray for a just peace and for religious harmony.

O God, we pray that You inspire the people of Surabaya
To be peacemakers across all belief systems.

Amen.
