

## DAM TRAGEDY IN LAOS

We pray O God,  
For the villagers who died  
In the surrounding areas and downstream  
From the Xenamnoy dam in Attapeu province in Laos.

We pray O God, for the safe rescue of people  
On roof tops and higher ground.

We pray for those left homeless.

We pray for that solidarity we share as a human family  
In being there for each other in a crisis.

Amen.
