

# Paris - Prayer for Peace

At all Masses this weekend, we will pray for PEACE.  
And for all victims of terrorism in the world.

We will pray especially for:

Those people who have died in Paris on Nov 13th;  
And those who are seriously injured;  
And those who are injured and those in shock;  
And their families and friends;

We remember people simply attending:

The football match at the Stade de France;  
The music at Bataclan;  
Relaxation and hospitality venues in the 10th and 11th Paris Districts.

We light church candles for each group as we pray and remember them.

Amen
