Reflection.

Reflection on the Gospel-24th Sunday in Ordinary Time Year B

(Mark 8:27-35)

-Veronica M. Lawson RSM

Today's gospel reading leads us into a section of Mark's gospel that explores challenges confronting all disciples on their journey of faith. The first challenge is to clarify the nature of our commitment as disciples of Jesus. If we fail to understand who Jesus is, then we have little chance of understanding the nature of our own call to follow him.

Two questions ("Who do *people* say that I am?" and "Who do *you* say that I am?") are addressed to our forbears in faith communities of the latter part of the first century and to Christians across the millennia. We are invited to hear these questions anew. Do we simply share what "the people" say about Jesus? Are we like Peter who has the right language but only partial insight? Or do we have the wisdom to seek a deeper understanding of the identity of Jesus?

In response to Jesus' second question ("Who do you say that I am?"), Peter gets the words right: Jesus is the Messiah, the Christ, God's anointed messenger. It becomes clear, however, that Peter has a very different notion from Jesus of what it means to be the Messiah or the Christ. This is understandable since there were diverse messianic expectations within first-century Judaism.

Many expected a royal militaristic figure who would drive out the Roman occupiers and restore Israel's status as an independent nation. Jesus, as God's Messiah, refuses the way of violent action. His way is to be true to his mission of bringing God's empire, even if it brings the most intense personal suffering.

Peter refuses to accept a suffering Messiah. He is severely reprimanded for his refusal and instructed to get out of the way, to get back to where a disciple should be, namely behind Jesus, following him, and not in front obstructing the path to wisdom and life. Our bitter experience of global conflicts in recent decades should make us wary of accepting militaristic messiahs. In our times, to know and follow Jesus as the Christos or Messiah is to seek and support more moderate and lasting responses to perceived injustice. It is to listen to the wisdom of those with insight and experience, to calculate with the utmost care the consequences of violent

reactions to the problems in our world, in contemporary society, and in our homes.

That may well involve hard work, personal misunderstanding, physical and emotional trauma or, in other words, it may mean "losing one's life" for the sake of the gospel. It certainly calls for profound trust in the saving power of God. Over the next few weeks, the Sunday gospels will call us into the ways of respect, of commitment, and of peaceful negotiation, to ever deeper insight into the ways of Jesus the Christ, the anointed agent of God's empire.

Parish Pastoral Council.

We had the pleasure of Catherine Galvin (the Principal of St John Fisher College) attending our meeting. Catherine spoke of the positive growth and evolving change she is seeing in the College since she took up the role late last year. This local high school offers an expanding platform for the girls of today to be prominent and influential woman of tomorrow. Catherine is also seeking for the College and the Parish to establish a much closer ongoing working relationship, and much greater parent/community engagement going forward.

We also had the equal pleasure of Sr Dorothy in attendance. Sr spoke of her life working as a Sister of Charity in many parts of the world. She also spoke of the situation of refugees and asylum seekers in Australia today, and particularly here in Brisbane. While she sees first-hand how our own local refugee families continue to struggle to establish themselves in our society, she also is seeing many instances of asylum seekers here in Brisbane (receiving limited Government support in Australia) personally struggling daily, physically and mentally.

If you have any ideas or concerns within the Parish please raise them with your pastoral councillors personally or alternatively by sending an email to bridge@bne.catholic.net.au with the heading "For the attention of the Pastoral Council".

Spirit in Creation.

When Jesus says "Who do you say I am"? We could interpret this as Jesus asking for feedback from his disciples about himself. If you were to ask Jesus, "how would you describe today's Christians?"

Plenary Council 2020.

It has been more than 80 years since we gathered all of the Church together and much has changed. In 2020, we will have a Plenary Council about the future of the Catholic Church in Australia. What are we called to do? Who are we called to be? How do we need to change? The journey toward the Plenary Council will help us to prepare to listen to God by listening to one another. We invite all people to engage, to be a part of the listening and dialogue encounter in the next two years. The Plenary Council 2020 is a gathering of the Church in Australia to make decisions for the future. Your voice is important. All people are invited to contribute to the Plenary Council agenda by sharing your experience of faith and of the Church. See www.plenarycouncil.catholic.org.au for more information.

As part of the Season of Creation -
