Reflection.

Reflection on the Gospel-27th Sunday in Ordinary Time Year B

(Mark 10:2-16)

-Veronica Lawson RSM

The question of gender inclusivity in decision-making has been much in the news of late. The maleness of political and church institutions has been highlighted in my country as a serious contributor to the disorder that finds expression in both bullying and abuse. Since the creation of patriarchy in the Bronze Age, some 3000 years ago, lack of gender inclusivity has posed a challenge, particularly for those who find themselves excluded.

The "test" question about divorce that the Pharisees put to Jesus is very strange in a first century Jewish context, as is the reference to women divorcing their husbands. While there is no evidence that anyone in Jewish circles questioned the legality of divorce, there is plenty of evidence for lively debate concerning the grounds on which a Jewish man could divorce his wife: adultery; inferior cooking; even diminished beauty! There were various schools of thought. Jewish law, unlike Roman law, however, did not permit women to initiate divorce proceedings on any grounds at all. From the perspective of the Markan Jesus, Moses only *permitted* divorce as a concession to "hardness of heart": it was not so from the beginning. The ideal, he insists, is expressed in the Garden Story of Genesis, the story of "one flesh", of partnership, of equality and mutuality, of enduring commitment in marriage. The Hebrew word *'ezer* which is translated as "helper" in the first reading from Genesis is used in the Psalms of God's relationship to Israel. It does not denote inferiority of women to men as is sometimes suggested. A better translation might be "companion".

Human limitation is just as much a reality now as it was in the ancient world. We strive for the ideal but fall far short of it in so many ways. When this happens in marriage, the consequences can be more far-reaching than in other aspects of our lives. The parties involved become the "little ones" whose lives are shattered and disoriented. The embrace of the community is needed in a particular way for everyone affected by divorce, especially the children. When parents part company, the best interests and needs of the children are sometimes forgotten. Too often, those who have experienced the trauma of divorce feel alienated from the worshipping community, and this at a time when they need the courage to face a different future from the one they had envisaged.

The story about marital commitment leads immediately into a story about Jesus taking the children in his arms and blessing them, despite the disciples' attempts to send them away. Children are important persons who are never to be excluded from the inner circles of love and compassion. We might hear today's gospel as a call to be inclusive in all our relationships and to remember the children no matter what happens.

Asbestos Removal Details.

Dear Parish Members: The work started during the September School holidays will be completed during the Christmas school holidays. The company removing the asbestos is GBar. The areas to be addressed will be closed off so as to not to allow any unauthorized access but in the interests of additional safety for all, we have opted for an even greater exclusion zone for students attending OSHC and visitors to our school. More details later. We apologise for the imposition this work will cause, but in the interests of safety in the future, removal of the asbestos is a necessity.

Car Parking.

The carparks closest to the church will be reserved for Senior parishioners and those with mobility issues. It will be necessary for many of us to use street parking. Please do not park other vehicles in when parking in the Church carpark, as people need to be able to leave in case of emergency. Please only park in the allocated spaces. There are many side streets available for parking. Providing the ground is not too wet, parking will also be available on the school oval. Thank you. Fr. Gerry Hefferan.

Plenary Council 2020.

It has been more than 80 years since we gathered all of the Church together and much has changed. In 2020, we will have a Plenary Council about the future of the Catholic Church in Australia. What are we called to do? Who are we called to be? How do we need to change? The journey toward the Plenary Council will help us to prepare to listen to God by listening to one another. We invite all people to engage, to be a part of the listening and dialogue encounter in the next two years. The Plenary Council 2020 is a gathering of the Church in Australia to make decisions for the future. Your voice is important. All people are invited to contribute to the Plenary Council agenda by sharing your experience of faith and of the Church. See www.plenarycouncil.catholic.org.au for more information.

Pope's message lays foundation for new safeguarding strategy 2018 - 2020

Pope Francis's call for "zero tolerance" towards sexual abuse has underpinned a new safeguarding strategy across the Archdiocese of Brisbane. Archbishop Mark Coleridge said Pope Francis's words were an important factor in the Archdiocese's design of a strategy that will apply to all ministries and services for the next three years. The Archdiocese's new strategy applies to all church personnel including bishops, clergy, religious, employees, contractors and volunteers across all parishes, ministries, agencies and services. The Archdiocese encourages Church workers and the community to raise concerns about abuse or other safeguarding issues within the Church. Concerns can be raised with the Office for Safeguarding Services or via the independent and confidential STOPLine service. The Safeguarding Service can be contacted on 07 3324 3752 or safeguarding@bne.catholic.net.au. The STOPLine service can be contacted on 1300 304 550 or A0B@stoline.com.au. Anonymous reports can be made to the STOPLine service.

Memorandum.

Members of our community may choose to have a small wooden cross placed in the Blessed Sacrament Chapel for a period of time, in memory of loved ones who pass away. The chapel can be accessed at any time, so families are welcome to spend time there remembering those who are now at rest in God's peace. Crosses are available on request through Barbara Masterman. This is an initiative of the Parish Pastoral Council, at the suggestion of one of our community and has been made possible by the generosity and giftedness of David Griffiths. Thank you, David.

A Prayer for Reconciliation and Christian Unity.

Creator God, may the power of your grace transform us; Christ, give us courage and hope to manifest the unity we have in you, and to share our life with each other and the world; Holy Spirit, empower us to work for justice for people and the earth. God, in your grace, transform the world. Amen.

Now Jest a Moment....

During an Ecumenical gathering, someone rushed in and shouted, "The Building is on fire!" Immediately. The METHODISTS gathered in the corner and prayed. The BAPTISTS cried, "Where's the water?" The QUAKERS quietly praised God for the blessing that fire brings. The LUTHERANS posted a notice on the door declaring the fire was evil. The CATHOLICS passed a collection plate. The ANGLICANS formed a procession and marched out. The CONGREGATIONALISTS shouted, "Every man for himself ..." The FUNDAMENTALISTS shouted, "It's the vengeance of God!" The JEWS posted symbols on the door hoping that the fire would pass. The JEHOVAH WITNESSES passed out literature about the fire. The MORMONS ran late night TV commercials for free videos of the fire. The CHRISTIANS SCIENTISTS agreed among themselves that there was not a fire. The SCIENTOLOGISTS charged admission to the fire - and the PRESBYTERIANS appointed a chairperson who was to appoint a committee to look into the matter and make a written report to the voting assembly.
