## Reflection.

**Reflection on the Gospel-5<sup>th</sup> Sunday of  
Easter Year B  
(John 15:1-8)**

-Veronica Lawson RSM

Again and again, life's experiences teach us that, as members of the Earth community, we cannot make it on our own. We need one another, other living beings, the sun, the soil, the water and everything else that formed from exploding stars in the distant past. The gospel reading reminds us that as baptised Christians we are not just intimately interlinked but that the source of our unity is the Risen Christ. As limbs and leaves and sap of the same vine, we simply cannot survive in isolation.

The vine image picks up one of the most potent biblical images for God's relationship to the people of Israel. It is an image of life and growth, of colour and vibrancy. It holds the promise of a life-sustaining grape harvest that is ultimately transformed into wine, the biblical symbol for joy. God brought Israel "the vine" out of Egypt (Psalm 80:9). For the prophet Isaiah, Israel is also a vineyard planted and nurtured by God (5:1-7; 27:3). For Jeremiah, Israel is the choice vine "of fully tested stock" planted by God (2:21).

The Johannine Jesus makes the claim: "I am the true vine/vineyard" and God is the "vinegrower". He goes further: "I am the vine/vineyard and you are the branches". The potency of this image resides in the fact that a vine without branches is inconceivable. It draws us into the mystery of the mutual interchange of life between us and the risen Christ, into the mystery of God. It also invites us to acknowledge our interconnection with the whole of the Earth community, to nurture the wonderful biodiversity of our planet, and to accept the inevitability of "pruning" if we are to "bear fruit" and "become disciples".

"Pruning" can take various forms. A chance encounter, a sudden inspiration, a word from a friend, an unexpected illness, a confronting story: any such experience can bring us to our senses and serve as a "pruning" device. The first reading for today recounts the story of Saul of Tarsus who is "pruned" quite dramatically through his encounter with the Risen Christ on the road to Damascus. He is transformed from persecutor to defender of Christ and Christ's followers. Saul becomes a disciple and "bears much fruit". The Greek-speaking Christian Jews are suspicious, even murderous, when he tries to preach the gospel among them. Peace ensues, however, and the movement takes hold in the regions where

Jesus had first preached the gospel. It is worth reflecting on the cultural diversity that characterised earliest Christianity and the tensions that had to be resolved between different language groups or groups of different ethnic origin for the gospel to flourish and bear fruit. John's gospel is written against the backdrop of such "pruning" within the early communities. Sometimes the requisite "pruning" is hearing respectfully a point of view that differs from one's own.

The school is undergoing a building programme, this means the central pathway which leads from the Phillips St., carpark to the Church will be blocked off. It will be necessary for many of us to use street parking. We appreciate your patience and understanding in this matter. Please do not park other vehicles in when parking in the Church carpark, as people need to be able to leave in case of emergency. Please only park in the allocated spaces. There are many side streets available for parking: Waruda St., (with direct path access to the church grounds). #### **Parish Pastoral Council.**

Regular meetings occur between Centacare, Parish, and School in relation to providing up to 20 additional After School Care places. The

options are to either physical extend the existing Parish Centre where it is currently 'housed in' or build a new completely purpose built building at another location on School/Parish grounds. The Parish and School are still looking at all options. Irrespective of what option is chosen the expected building works would still be in the vicinity of \$1.4m. A new building would mean that the Parish would get back full use of the Parish Centre and this is desperately needed. Undertaking such building works would mean the Parish taking out a new ADF loan for about \$1.4m over 10 years. If you have any ideas or concerns within the Parish please raise them with your pastoral councillors personally or alternatively by sending an email to [bridge@bne.catholic.net.au](mailto:bridge@bne.catholic.net.au) with the heading "For the attention of the Pastoral Council".

#### **Following on from the Royal Commission.**

At the end of February 2018, the Parish published the final weekly update on the Royal Commission into Institutional Responses to Child Sexual Abuse and committed to monitoring internet sources for new information and providing it through the parish newsletter. The Pontifical Commission for the Protection of Minors (PCPM) met last week in Rome with their first day dedicated to hearing from members of the Survivor Advisory Panel (SAP) of the National Catholic Safeguarding Commission from England and Wales. This was part of the PCPM's ongoing commitment to ensuring that the thoughts and contributions of people who have been abused inform all aspects of the Commission's work. The PCPM heard presentations on 'The outcome of the Australian Royal Commission' and on other matters, which may be read at <http://bit.ly/PCPMPress>

### The search for unity: throughout the year.

The traditional period in the northern hemisphere for the Week of Prayer for Christian Unity is 18-25 January. Those dates were proposed in 1908 by Paul Wattson to cover the days between the feasts of St Peter and St Paul, and therefore have a symbolic significance. Here in the southern hemisphere where January is a vacation time churches often find other days to celebrate the week of prayer, for example around Pentecost (suggested by the Faith and Order movement in 1926), which is a symbolic date for the unity of the Church. In 2018 the Week of Prayer in Australia will be observed from 13-20 May in the week between Ascension and Pentecost.
