

**PRAYER FOR  
RECENT EARTHQUAKE, THREE TERRORIST ATTACKS,  
TWO TYPHOONS & COVID-19**

We pray to you, Jesus this week,  
for people who died recently  
in the earthquake near Izmir in Turkey,

in the terrorists attacks in Nice in France,  
Kabul University in Afghanistan  
and Vienna in Austria;

during Typhoon Molave in Vietnam,  
and during Typhoon Goni in the Philippines.

We pray to you, Jesus this week  
for people who died recently from COVID-19  
In many countries in the world.

We light a candle for them and their families.
