

DROUGHT & FLOODS + QUEENSLAND & KERALA

We pray for the many drought-affected areas in Queensland.
We pray for the farmers and pastoralists,
The people on the land and in the towns
And all affected by the drought.

We pray for rain.

We pray for our sister community of
Blackall / Tambo Parish in central Queensland.

We pray for the many flood affected areas in Kerala in southern India.
We pray for those who have died and their families.

We pray for those who have been displaced
By floods and landslides during the south west monsoon.

We pray for parish members here
Who have family and friends in the affected areas.

Amen.

Fr. Gerry
