

We pray to you, Jesus,
during the COVID Pandemic for our sisters and brothers
in the Greater Sydney Region and Surrounding Districts.

We pray to you, Jesus, in prayerful solidarity, as one family together,
for people who have COVID-19,
for family, friends and neighbours in isolation,
for the communities in Lockdown,
and for all healthcare workers in hospitals, clinics
and aged care and disability centres.

We pray to you, Jesus,
for COVID patients in ICU and hospital wards.

We pray for all those involved in conducting testing and tracing,
in administering the vaccines, in providing safe accommodation
and in monitoring the community's safety.

We pray to you, Jesus,
for those who are anxious at this time.

As a community, we are blessed by so many who care.

We ask you, Jesus, to bless and protect our sisters and brothers
in the Greater Sydney Region and Surrounding Districts.

We pray to you, Jesus, as family, for their safety and healing.
Amen
