

TSUNAMI IN INDONESIA

**We pray to you O God, this Christmas
for those who have died in the recent Indonesian tsunami.**

**We pray for the people of the coastal areas
of western Java and southern Sumatra,
especially in the Serang, South Lambung and Pandeglang
regions.**

**We pray to you O God, for the survivors and their needs.
We pray for search and rescue operators, medical teams,
and providers of food, water, clothing, power and temporary
shelter.**

**We pray to you O God, this Christmas
as neighbours to each other.**

**In the spirit of Christmas, we remember how
Joseph and Mary found temporary shelter for Jesus at his
birth.**

**We pray to you O God, for our sisters and brothers,
our neighbours in Indonesia in their time of need.**

Amen.
