

PRAYER FOR PAPUA NEW GUINEA 🇩🇪 & AUSTRALIA 🇦🇺

In this time of need, we pray to you Jesus,
for our neighbours and friends in Papua New Guinea.

We pray for immediate access to vaccines and protective equipment
for all health care staff and frontline workers.

We pray for international support in obtaining vaccines and treatments
and their coordinated rollout across the nation.

We pray for Caritas Australia and Caritas PNG
as they work together to face the challenges of widespread poverty
across Papua New Guinea during the pandemic.

We pray for the media in both nations
and for their updates on COVID initiatives and needs.

We pray for the Churches in both nations
and their pastoral care for people in need.

We thank you Jesus,
for support already shared in recent weeks.

In this time of need, we pray to you Jesus,
for our neighbours and friends in Papua New Guinea.

Amen.
