

WE PRAY TO YOU JESUS

PRAYER FOR RESIDENTS & STAFF OF NURSING HOMES DURING COVID-19

We pray to you Jesus

For the residents and staff of our nursing homes.
We pray for their safety.

We pray for ways of family contact for residents
To uplift their spirit and respect their dignity.
We pray for safe ways of community contact with them.

We pray for the staff
and the concerns they face at this time.

We pray for their families and friends.

We pray to you Jesus.

Amen.
