

## PRAYER FOR OUR SISTERS & BROTHERS IN INDIA

### **We pray to you, Jesus**

for the peoples affected by the August monsoon rains,  
floods and mudslides in the four of states  
of Kerala, Karnataka, Maharashtra and Gujarat.

### **We place before you, Jesus,**

For the hundreds of people who have died,  
and over a million people who have been evacuated  
from their homes and communities.

### **We ask you, Jesus,**

to uplift the spirit of the people  
working so hard to support the survivors,  
the search and rescue teams,  
the health and emergency relief groups,  
the churches and places of worship providing shelter,  
food and clean water providers,  
and government and NGO services.

### **We pray to you, Jesus,**

for our sisters and brothers in India.

Amen.
