

PRAYER FOR THE UNITED STATES OF AMERICA

Loving God, we pray to You,
for our sisters and brothers in the United States
during this month of January.

We pray for those responsible
for implementing COVID safe protocols and
for the distribution of COVID vaccines.

Loving God, we pray to You,
for all leaders and peacemakers
during this time of anxiety across the nation.

We pray as members of one family.

We pray for peace and safety for all.

Amen
