

## PRAYER FOR CIANJUR, WEST JAVA PROVINCE, INDONESIA

*We turn to You, O God*, in prayer for our sisters and brothers who have suffered from the recent earthquake in Indonesia.

We pray for the many children and adults who died.

We pray for families grieving the death of loved ones.

We pray for those injured and for the homeless.

We pray for the rescue, health and emergency service workers in the challenges they face during this crisis.

*We pray to You, O God*, for our neighbours, in their time of great need.

Amen
