

PRAYER FOR SE QUEENSLAND & NORTHERN NSW

Loving God, the heavy rain and flooding
have been so traumatic for many people.

We pray for those who have died in the floods.
We pray for their families and friends.

We pray for those who have been evacuated
and for all who care for them.

We pray for those still waiting for river levels to peak,
and for their preparations.

Loving God, we express our gratitude for all those courageous people
who have rescued others from danger.

We express our gratitude for those who have worked so hard
to maintain and repair essential services.

Loving God, we are a community that cares.

We thank you for neighbours who offer a helping hand.

We pray for each other and seek your blessing.

Amen.
