

PRAYER FOR THE PEOPLE OF SUDAN SUDAN

We pray to you, Jesus
for the safety of all people in South Sudan.

We ask your blessing
on all humanitarian workers and peacekeepers.

We ask your blessing
on the local people in the 45 counties of severe need
and in the remaining 33 counties in extreme need.

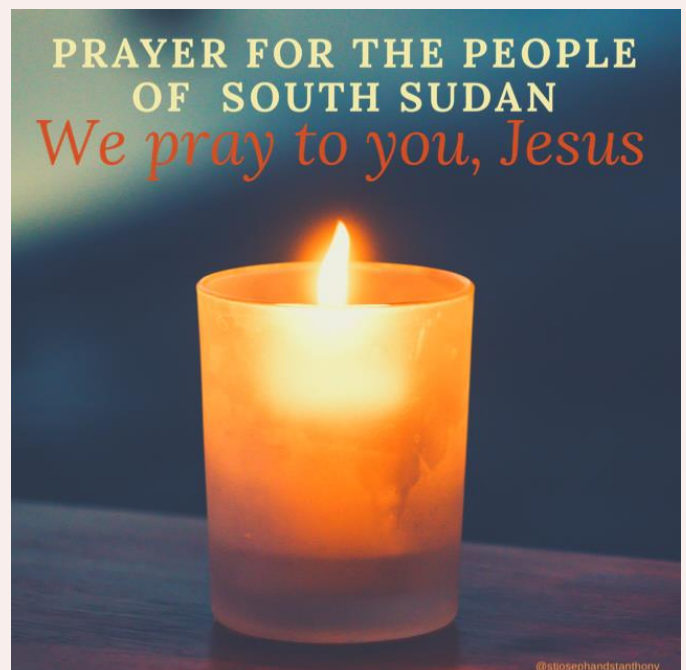

We pray for health professionals
Responding to people with acute malnutrition, fever,
malaria, diarrhea and COVID-19.

We pray for those working to provide
clean water, food security, sanitation,
shelter, education and health services.

We pray for current peace initiatives.

We pray to you, Jesus
for our sisters and brothers in South Sudan.
Amen
