

REMEMBRANCE DAY 2018

We remember and pray to You, O God

For family members and friends
And community members who died in war,
And those survivors who still suffer the effects of war.

We remember and pray
For those who have suffered in any way because of war.

We pray to You, O God for peace in our world.

We pray for peace makers and peace keepers.

We pray for those who genuinely act for peace in our world.

We remember, and we pray for peace.

Amen.
