

## PRAYER FOR SOUTH SUDAN

Message from St. Joseph and St. Anthony's Parish, Bracken Ridge, Brisbane.

Please Pray for South Sudan as it is Urgent.

All are invited to pray for a cessation of hostilities,  
medical care for the injured,  
food for the hungry,  
safety for all living in the capital Juba,  
and the towns and villages  
in South Sudan at the present time.

We pray for all working for peace at this critical time.  
We pray for clear leadership in stopping the violence in parts of the country.  
May the warring groups walk away from vengeance and hatred and retribution.  
We pray to you, O God, for genuine peace, for open hearts,  
And for the realisation that we all need each other.

We, in solidarity, pray for all our sisters and brothers in South Sudan.
