

# Prayer to God for the People of Southern India

We join in prayer  
With the people in coastal parts of southern India  
Including Kerala, Tamil Nadu and Lakshadweep Islands.

We remember the many fishermen  
Who died after Cyclone Okli hit southern India.

Let us join in prayer for those who have died,  
For those injured,  
For family and neighbours in mourning,  
For urgent coordination of emergency services  
Including search and rescue, relief, health services,  
Food, water and shelter provision.

We pray for the people of southern India.

O God, hear our prayer.
