
The Blessing of The Good Shepherd, Our Lord Jesus Christ

To Our Good Shepherd, Fr. Gerry Hefferan

May the Blessing of The Good Shepherd, Our Lord Jesus Christ, be always with you.

May you know and feel the warmth of His loving presence around you,
in the kiss of the sunrise.

May you hear His voice, in the whisper of a gentle breeze.

May He inspire you to speak His Living Word among His people.

May He come to you and comfort you in your quiet prayer.

May He guide you and protect you for all of your days

And at Journeys End, at sun's set,

May He call you to Him,

May He take you in His arms and guide you safely home.

Amen
